

## A SEMINAR FOR PHYSICIANS & HOSPITAL LEADERS

# Physician Healthcare Integration: Why You Need It

Hosted by Stamford Hospital

Learn how to forge mutually beneficial relationships between physicians, practice groups and hospitals. Join us for a complimentary presentation where we will discuss business topics related to health care such as:

- Effective joint venturing and partnering options
- Estate and asset protection planning
- Financial perspectives to managing physician practices
- Marketing and recruitment strategies
- Fair market value considerations and more
